UPDATE ON BAG MAT MINISTRY

The ladies making mats for the homeless want to thank each of you for helping us by bringing bags for us to use. Also, a big **thank you** to those who asked for donations of new bags, have helped by cutting bags and tying the loops. It takes approximately 500 - 700 bags and around 35 hours of crocheting to make one sleeping mat. Without your help, we would not have been able to do what we have done. We have completed seven mats and two are still being worked on at this time. We are not in need of any more bags since we have enough to complete what we are currently working on. After the holidays we will probably be needing more, but we will let you know when we get started again. Once more, thanks so much for your help.
