

Monthly Business Meeting - Summary of Minutes

(Detailed minutes, recorded by the clerk, are located in the Secretary's Office)

The monthly Business Meeting for September was held on **September 7, 2011**. (1) The ordination service for Mark Speer will take place September 25, 2011 in the Evening Worship Service. (2) The following people were nominated and approved to serve as messengers to the October 3rd Associational Meeting to be held at the church: Bro. Vic Stansbury, Joan Stansbury, Elizabeth Farmer, Arlene Mullins, and Jim Sabo, Sr. (3) The roof was replaced on the church and parsonage last week. \$17,000 was paid this month and approximately \$20,000 to be paid next month. (4) The ballasts were fixed in the Fellowship Hall and are now working well. (5) The Trustees (represented by a report by Ernest Carol Taylor for them) explains that over \$5,800 is due for the gas for the church for this coming season. The church has been pre-paying for 3,000 gallons and had \$195 left over from last year. The rate for the gas if pre-pay this year is \$199.9/gallon (it was \$1.79.9/gallon last year). The members voted to continue with the pre-payment as the cost of gas is not expected to go down, but will probably go up and each time the tank is filled it would have to be at the present rate if do not do the pre-payment. (6) Catherine Sabo made a motion that the church provide the meat for the Golden Days Group Meetings every other month. This was approved by the members present.
