Dear Friends at Muldraugh Hill Baptist Church,

I am excited we are beginning our own version of March Madness at Muldraugh Hill Baptist Church. Our emphasis will be called March Gladness because we believe Bible study, along with worship, can create a renewal of excitement and spiritual growth in studying God's Word! So, we are calling this March Gladness.

Our church has agreed with Pleasant Hill Baptist Church to challenge them to grow with us during this time from March 11 to April 1. Both churches will be working toward reaching more people for Bible study and worship.

Why do we believe there is potential for growth during this March Gladness Emphasis?

- We have a specific reason to invite someone to church.
- Four out of ten unchurched persons will say "yes."
- We have over 200 members who aren't participating in Bible study.
- Most members have 20 or more direct acquaintances who are not in church.

We pray that many more members and guests will participate in this special emphasis in growth where we can all say together,

"I was glad when they said unto, let us go into the house of the Lord"

(Ps. 122:1).

With gladness and joy,

Bro. Billy

P.S. Are you ready to join me in making a commitment to March Gladness?
