

Online Giving

We are excited to announce that “online giving” is now available at MHBC! There are four methods of giving:

- Give with cash or check in the offering plates
- Give on our website at www.muldraughhill.org by clicking the “*Generosity by Lifeway*” logo at the top of the page
- Give from your mobile device by downloading the “*Generosity by Lifeway*” app.
- Give from your mobile device by text:
Recipient: 52014

Message: @MHBC (add the amount you wish to give) and press the send button

Note: The first time you do this you will have to set up your personal and credit card information. Once you complete the process, the next time is super easy and more automated. The only drawback to this method is you can ONLY give to the general fund.

In all above cases (except via text), you can give your donation to the General Fund or to a designated fund of your choice and you can even give to multiple funds during one session. You can give a one-time donation or make your gift recurring at the interval of your choice. You can give by credit card, debit card and by electronic check. All major credit cards are accepted. (Visa, Mastercard, Discover, American Express). You can add a tribute message such as “In Honor of” or “In Memory of”. You also have the option to cover the fees for each transaction. Merchant fees are as follows:

- echeck (ACH) - 30 cents per transaction
- credit/debit - 30 cents per transaction + 2.69% of amount donated

Giving couldn't be easier!!!! Thank you for your support of our church and activities!

Andrea Morrison and Kaylene Poff
